PASTE FOR TASTE OAT

A little lighter? Today, oats are experiencing a fascinating renaissance. And that's a good reason to dedicate a special paste to them. For example, a paste made from whole oat grains, oat flakes, oat sourdough and a little oat malt flour. This paste gives baked goods that much-loved nutty-light oat flavor!

Selected combination of special oat raw materials

- oats and oat flakes that look and taste great in doughs
- rounded off by sourdough and malt components
- produced without the use of additives

Simple handling of the product

- efficient, direct processing without swelling times
- very flexible regarding the quantity of addition
- can be used directly during dough preparation or can be mixed in

Enhancement of the baked goods character

- gives rolls, breads and baked goods that much-loved nutty, light oat flavor
- significant improvement in moistness and freshkeeping

usage based on flour
